A loan of Rs 400/- was granted to one Thimmappa of Gundumunugu village of Kudligi taluk, on 21-7-1920 for construction of a well to improve his lands noted below under Land Improvement Act 6¼%.

well — 697B - A1.045 - Assessment Rs 0-6-0

698A - A4.065 - ,, 1-3-0

700A - A5.085 - ,, 1-7-0

11.95 3-0-0

All these lands were mortgaged for the loan, which was repayable in 20 instalments commencing from F 1331. The well was constructed, and certified to last for 50 years as noted in the completion report. The borrower paid 4 annuties and became a defaulter in Fasli 1335. The lands mortgaged for the loan were attached and sold, after ordering summary recovery of the total amount due. The 1st two sales were not sucessful, but at the 3rd sale the lands fetched a sum of Rs 180/-. The Sub Collector Hospet confirmed the sale on 4/6/28. After adjusting the sale proceeds there is still a sum of Rs 265-0-5 due towards principal. The defaulter has left the [redacted] for good and there is no other property to be proceeded against. The Sub Collector Hospet reco-

recommends that the amount may be treated as irrecoverable.

2. The officer who granted the loan has now retired from service. At the time of the enquiry the lands were valued at Rs 25/.- an acre, at Rs 300/- and their prospective value after the well was sunk at Rs 500/-. The well is said to have fallen into, disrepair owing to the neglect of the owner, and better prices could not be realised for the mortgaged lands. The Revenue Inspector who enquired into the loan application recommended a loan of Rs 350/-, while the Tahsildar Mr. Bahuddin Sahib granted a loan of Rs 400/-. As thereis no way of recovering the arrears, I recommend that the principal outstanding viz Rs 262-0-5 may be written off the accounts. The connected loans records and land sale records are enclosed.

2/ The default occurred in March 1926 (in the Rev. disp reporting on 6-7-26 that the borrower had no moveable property the security lands were brought to sale for the first time on 15-12-26. and bought in by Govt. for want of bids. This sale was cancelled by the R.D.O. on 24-3-27 & a resale was ordered to be held after giving wide publicity. The 2nd sale held on 13-6-27 shared the same fate. In the 3rd sale, held on 25-2-28, a sum of Rs 180 was realized. This sale was confirmed by the R.D. on 4-6-28. as it was reported by the R.D. & the Tahr that the amount fetched was reasonable and not

larger amount could not be realized even if a resale was ordered. The reasons for the low bid are reported to be due to the fact that the lands were neglected & that the well had fallen into disrepair. The Coll^r recommends that as the defaulter has no other property to be proceeded against, and ~~as there is no possibility of recovering~~ the arrears ~~it now~~ amounting to Rs 262-0-5 under principal, ~~it~~ may be ordered to be written off as irrecoverable. In the circumstances the Colrs recommendation may be accepted
